### Message from the Commodore..... Comm. Hank Boissoneault

*It's hard to believe it's August already!*

As we sail through the beautiful month of August, we have some incredible highlights and celebrations lined up for all of you at the Sandusky Sailing Club. Get ready for an action-packed month filled with thrilling races, a prestigious event, and a memorable 90th-year celebration!

*It saddens me to say that Chuck Cable passed away* on July 18. His official obit will be posted on Aug. 20. Although Chuck sailed many local races on *Gusto* and *Time*, it was no secret he loved the long distance Mackinac races. He participated in 20 Port Huron Mac races and seven Chicago Macs - placing in 12 of the 27 races. Even though his health has kept him away from the club over the past few years, his energy and enthusiasm will be missed. Our condolences go out to his family. Happy sailing, Chuck.

*J/24 North Americans:* Aug. 8-12

The excitement kicks off with the prestigious J/24 North Americans regatta. Sailors from far and wide will gather at

our club to compete in this prestigious event. It's a fantastic opportunity to witness world-class sailing and cheer on our members as they take on the challenge. Let's show our hospitality and make this a memorable event for all participants!

**68th annual Sandusky Islands Race:** Saturday, Aug. 26  
Mark your calendars for the 68th annual Sandusky Islands Race. This legendary race is a testament to our club's rich sailing tradition and camaraderie. Whether you're a seasoned racer or a cruising enthusiast, this event promises a memorable experience for everyone. Let's make this year's race a true celebration of sailing excellence and sportsmanship! See flier in the **Cross Bearings**.

### **90th-Year Celebration: Food, Music, and Fun!**

This year, we are thrilled to celebrate our 90th year as a sailing club! It's a momentous occasion, and we've planned a series of festivities to commemorate this milestone.

**Ragin Cajun Seafood Boil** - To kick off the celebration, join us for a mouthwatering Ragin Cajun seafood boil on Friday, Aug. 25. Indulge in an array of delectable seafood delicacies, catch up with old friends, and make new ones. This night of great food and fellowship is not to be missed.

As the sun sets on Friday evening, get ready to enjoy the tunes of the popular band Riptide. A nice surfer style music that is played in the background for your listening pleasure. Often located in restaurants around the area and known for their great instrumentals.

**Snooties BBQ Dinner** - After the sailing of the Sandusky Islands Race, Saturday, Aug. 26, we'll gather for a Snooties BBQ dinner. Savor mouthwatering barbecue dishes, share sailing stories, and enjoy the camaraderie of fellow sailing enthusiasts.

While we relish the scrumptious BBQ, the sensational band Ray Bans will keep us entertained. Get ready to hit the dance floor once again and create unforgettable memories.

This August is going to be a remarkable month for the Sandusky Sailing Club, with the J/24 North Americans, the 68th annual Sandusky Islands Race, and our grand 90th-year celebration. Let's come together as a community and make these events truly special.

See you on the waters and at the celebrations!

**A special Thank You to all the volunteers** keeping the club running. It's been a very busy summer and it wouldn't be possible without your efforts. As always, if there is anything we can do, please reach out and we will do our best. Thank you all for your membership!

— Hank Boissoneault, Commodore, SSC 419-357-1044

### **House and Grounds ..... VC Jason Huffman**

**July was another busy month for the club.** Thank you to all of the volunteers, in the Galley, the Dairy Bar, and around the club in general. To keep everything running smoothly it takes an entire village, most of whom work behind the scenes.

Due to all of the hard work, the clubhouse and grounds are in good shape for what will be a very busy month of August.

**Playground** - Walking around the club this weekend one item of note is the playground really needs to be weeded. If you

have a few minutes to spare while you're at the club, please consider helping out, even if it is just a small section.

**Upcoming events** - We'll need everyone to pitch in to put the best foot forward for the month of August as we have a large number of events. Starting with J/24 North American Championships, the Kelleys Island Moonlight Race, and the Sandusky Islands Race to round out the schedule. Be sure to look at the club calendar online to make sure you know when all of the club activities are happening.

**If you see anything that needs to be addressed,** please let me or any member of the Bridge know.

Call/text 614-940-1565 or email me at [huffman,jason@gmail.com](mailto:huffman,jason@gmail.com).

### **View from the Rear .....RC John Giordano**

It's hard to believe that it's August already and we're reaching the busy time of the year for the club.

**Friday night feeds** have been extremely well attended as well as the meal after Wednesday racing. Thanks to the many members who have offered their time to serve. We do still have several openings for Fridays over the remainder of the season. So please speak with Marcia or me to sign up.

Speaking of Friday Night Feeds, this Friday, Aug. 4, we'll be diversifying a bit and hosting Grams Goodies Food Truck. Meals will be paid for at the truck. Come and support them at the club and meet a few of their followers.

**Regatta season is in full swing.** In early July we hosted Snipe Nationals. Between crew, support staff, families and volunteers, we had around 100 people at the club. This past week we had the Jr. Regatta and hosted over 70 youth and young adults. Thanks to all the volunteers who have made these events possible.

**Next week we will be hosting J/24 Nationals.** Club members are invited to participate in the meals, but we are looking for a head count so we know how much to order. Please review the flyer in this newsletter and touch base with Denise to let her know how many to expect. She's also looking for help in the Galley receiving deliveries, if you're willing, let her know.

**Following shortly thereafter, our annual Islands Race** will be Aug. 25-26. We'll be celebrating the 90th year of the club with a low country boil on Friday the 25th. Look for information around the club and an e-mail on how to RSVP. We're also looking for volunteers to help in the Galley.

**Finally, the club calendar is the place to find information** on the summer's many events. However, last-minute changes

and weekly reminders will be communicated via e-mail and the **Remind** texting service. If you are not receiving these weekly notes, please ensure that your information on the club's website is up to date and that you sign up for **Remind**. To do the latter please text @sailsand to the number 81010. If you have done both and are still not getting the notices, please let me know.

*As always, if you have ideas for a club activity*, have a suggestion or would like to volunteer for any event, send me a note. RC John Giordano, [BoilerJohn85@gmail.com](mailto:BoilerJohn85@gmail.com), 205-903-9257.

### Sandusky Junior Sailors, Inc...Suzanne Hartley/ Mic Kaufman / Michelle Gilbo

July was a busy month for SJSI.

**Community Sailing** - During the week of the 4th of July, we hosted three sessions of Community Sailing. Through this partnership with the City Rec Dept, we host K-2nd grade children on the first day, 3rd-5th grade children the second day and 6-8th grade children the third day. We open it up to 12 community children for every session and the City Rec Dept fills the roster (with a waiting list) for every session.

**Junior Keelboat** was also held during the 4th of July week. This is always a great class for the sailors because they get to experience sailing in a different way.

**The 2023 Race season is coming to an end.** Thank you to everyone who worked hard to make the July 29 Sandusky Junior Regatta a success. We couldn't do it without the help of all the club members and our amazing Race Committee.

We also want to give a special THANK YOU to any club member that has donated sails to SJSI in the past. Your donated sails have provided enough credit through Sea Bags to purchase all 18 Bucket Bag awards for the Sandusky Junior Regatta. Please keep us in mind as you pack up your boats for the season and may discover you have sails that are damaged or you no longer need. We will gladly take them off your hands and get them to Sea Bags for our 2024 credit.

### **Our summer Learn to Sail classes have come to an end.**

We had close to maximum enrollment in all of our sessions this season and ended the season with multiple sessions containing 15+ students in each. It was a great season of sailing and the young sailors loved sailing all our new boats. This season will conclude with a full-day, week-long class of Advanced Sailing. The 2023 class will focus on racing and technique and currently has a waiting list to participate.

**Adaptive Sailing** has gone extremely well this summer. We have taken participants sailing from the Ohio Veterans Home and CLI. In August we added The Link back to our

Thank you to Deb Schaffer, Dan Braglia, and James DeLamatre for taking time out of your busy schedules to sail weekly with our Adaptive Sailors. Also, thanks to Larry Knauer for joining us July 10 to take a group out. We very much appreciate all of you.

### Sadler Basin Committee ..... PC Pete Grant

**Thank you to Phyllis and Dick Auge** for painting the ship on the kids' play ground.

**Thank you Art Averell**, for all you have done and continue to do around the club grounds.

**Dock fees** - \*\*EVERYONE should have paid their dock fees by now; that includes Dry Sail and in water. If you have not, please seek out a member of the Bridge or the Sadler Basin Committee and make arrangements to do so. We are all volunteers at the club and having to track down and follow up with those who haven't paid only makes our jobs harder.

**We continue to implement the long-term plan** for the Dry Sail Area that maximizes use of the limited area that we have. Please understand that we may ask you to move to another spot to accomplish the goal of improving accessibility for all and making better use of the space the club does have. Thank you for your understanding in advance.

**Our electrical contractor** has been busy with repairs and improvements. New lights on Springer's will hopefully make walking on the docks and getting on and off your boats easier and safer.

**Batter boards** should be installed hopefully by the printing of this **Cross Bearings**. We will try and do another week of installation for those wanting batter boards either this fall or again in the spring.

*The Port Huron to Mackinac Island Solo Challenge -*

I'd like to congratulate all the Sandusky Sailing Club / GLSS single handed sailors. The Port Huron to Mackinac Island challenge was an arduous journey.

The race started Saturday at 10:30am with very light wind. The first rounding mark was Goderich which took some boats close to 24 hours to make that 60 nautical mile journey.

# 2023 Snipe Nationals at SSC

Truly a world class event

Race Committee set perfect starting lines.

Aerial photos gave a new look.

The competitors loved the robotic marks.

During this slow trudge up Lake Huron, the biting flies were a constant hassle, draining the blood of our poor sailors. The wind finally picked up

at Thunder Bay, where some sailors decided to fly their spinnakers through the night in 20+ knot winds. Although they made progress on the rest of the fleet,

multiple boats had spinnakers in the water or torn to shreds during this time!

Bois Blanc Island was the next obstacle.

Those that were not further north got sucked into it and were left with no wind, heavy waves and popping sails for six hours, while those to the north sailed on to Mackinac Island.

Many of the sailors did not sleep for the entire three-day journey, while boats and sails required constant attention. Sailor's are true Iron Men and I have much respect for everyone that finished the challenge. I am happy to report that all of our Sandusky Sailing Club members Russ Krock, Lease Schock, VC Jason Huffman and Jim Otton made it safely to Mackinac Island to enjoy the company of the other solo sailors.
