**Volunteers** - We're still looking for a couple of volunteers to take over handling membership and a new secretary. If you're interested please contact me at [Weatherlyboatworks@gmail.com](mailto:Weatherlyboatworks@gmail.com).

**Memorial Day** - We will be having a Memorial Day potluck on Monday, May 30. Stay tuned for more information.

**A Celebration of Life for Judy Muhn** will take place on May 21 between 1:00 to 3:00pm at the club.

**If you have any questions regarding SSC operations** please feel free to ask. I can be reached at [weatherlyboatworks@gmail.com](mailto:weatherlyboatworks@gmail.com)

**Sandusky Vice ..... VC Hank Boissoneault**  
**Workday was a success**, thanks to the many members who were able to take the day to help us open up the club for the season. This year I was in charge of Workday. While I had prepared a few of the important areas, I missed some major ones as well. The good thing is, members kind of took over and jumped right into their familiar routines and made the day a huge success. The billable hours would have affected our budget and yet the volunteers showed up in droves. The club and grounds are officially open. Water has been restored to the docks, and work continues around the clubhouse grounds. So many people jumped into action before, during and after workday that I dare not try to mention by name. I would not want to miss your efforts. Most of us know who you are and I just want to say THANK YOU for all you continue to do! From cleaning, to moving, to painting, to spraying, providing equipment and just overall lending a hand.

## Message from the Commodore...Wes Blazer

Hi everyone. I hope you guys have launched your boats or are getting ready to launch. We are finally moving into sailing season. As I write this, the Interlake class has already had the world famous Chiefs Regatta and Charleston race week has ended. It's time to go sailing!

**Spring Workday** - I would like to thank everyone who came to workday and the general meeting. It takes a village to make SSC run properly and it's never more noticeable than on spring and fall workdays. If you're a new member put it on your calendar and plan on attending. Even though "General membership meeting and Workday" is not the most enticing title, it's the most accurate. All joking aside it's a great opportunity to lend a hand and get to meet other members. Again, I would like to thank everyone who attended.

**Pamala Gross captured this shot of the luckiest sailboat at the club. Now we know who's going to get all the good windshifts this year.**

**Sadler projects will continue getting done** in the next few weeks. There may be a day or two that is inconvenient for club members, but it's in an effort to improve our club and to make it a more enjoyable experience too. We ask you to be patient with us during this spring.

**As always, should you see something that requires attention** at the club, please be kind and let us know. We want to make this a safe, clean, fun and relaxing getaway for all the members. Thank you — VC Hank Boissoneault 419-357-1044 or [ViceCommodore@SanduskySailingClub.com](mailto:ViceCommodore@SanduskySailingClub.com).

**View from the Rear ..... RC Jason Huffman**  
**Boats are slowly trickling into the marina**, and May 1 marks the official opening of the marina, and sailing activities. If you have not seen the Regattas page on the SSC website, please take a look as we have a number of regattas planned. We look forward to seeing members on the starting line and lending a hand where needed.

**I want to thank all of the people who volunteered** in the galley and behind the bar to make Fireside Fridays a success this winter. As we end Fireside Fridays and transition into summer activities we look forward to seeing more people at the club. If you are interested in volunteering in the galley, making pizzas or manning a grill, please email me at [Huffman.jason@gmail.com](mailto:Huffman.jason@gmail.com).

**New Member Appreciation** - Friday, May 20. Instead of pizza we will be grilling steaks. Cost for the meal will be \$15. If you are a member that has joined the club in the last 12 months, dinner is on us. I look forward to seeing members new and old at this event. Please RSVP to [Huffman.jason@gmail.com](mailto:Huffman.jason@gmail.com) by May 13 so we can ensure we have the proper number of steaks.

**If you have any ideas or want to host an event**, we are always looking for suggestions.

**Thank you** - RC Jason Huffman — 614-940-1565 or [Huffman.jason@gmail.com](mailto:Huffman.jason@gmail.com)

**Sadler Sailing Basin Committee....PC Jim Ziss**  
We have been busy working on projects to make the Sailing Club an even more inviting place.

**Docks** - PC Mike Fishbaugh and company are finishing last year's projects by putting new decking on C dock, and extending the spud bars on B dock. He is also getting ready for this summer by installing Springer's Wharf docks.

**Weather station** - Russ Krock has purchased a weather station for the sailing club. We will be able to go online and check the wind velocity, barometric pressure, temperature, and other weather data. Thanks Russ!

**Asphalt repair** - Doug Klein has obtained quotes for the repair of the asphalt pavement this spring. The project will start May 16, weather permitting. The work will include repairing broken patches, sealcoating the entire asphalt surface and striping the lot with white paint. Until this is finished, please do not park any boats on the asphalt; they can be parked on concrete or stone gravel. When the surface is seal coated no one should drive on the surface for 24 hours. If you see barriers at the gate, please do not drive in.

**The west wall** - Pete Grant is busy getting proposals for the repair of the west wall.

**Parking blocks** - Art Averell has been invaluable being the onsite man for a number of projects. He has painted all of the parking blocks white. **Thanks Art!**

**If you see anything that needs to be done** at the Sailing Club, contact me at [jimziss@gmail.com](mailto:jimziss@gmail.com)

**Sandusky Junior Sailors, Inc...Suzanne Hartley/  
Mic Kaufman / Michelle Gilboy**

**Spring is FINALLY here**; boats are slowly arriving at the marina. The sailing season is upon us. Thank you to everyone who attended the Beer Tasting. A good time was had by all. We look forward to next year's event.

**Vendor fair** - This year, SJSI had the opportunity to participate in the first Amherst School Summer Vendor Fair. We attended to promote our summer programs as well as host sailing lessons on the simulators. There was a line for the simulators for the entire two-hour event and a lot of interest from parents about SJSI programs.

**Flea Market** - On May 7, SJSI will have a booth at the Maritime Museum Flea Market promoting SJSI programs.

**Learn to Sail classes are filling up fast!** Register your favorite child now to get the week you want. Information is available online at [www.sailsandusky.org](http://www.sailsandusky.org).

**Who upgraded their sails over the winter?** If you did, consider donating your old sails to SJSI. Through a partnership with Sea Bags, SJSI turns in your donated sails into Sea Bags and receives credit for merchandise in return. What a great fundraiser!

**City partnership** - SJSI is actively pursuing a partnership with the City of Sandusky for some summer programming. More on this in future articles.

**Race Committee Boats .....Carolynne Zettler**

Due to 21 fantastic members who stepped up to the task, our Race Committee boats are almost ready for the upcoming race season! Many hours were spent on Sunday afternoons and on spring workday to make the yearly upkeep of the fleet go smoothly. Several major improvements were also accomplished. A huge thank you to Terry Parker, whose

wonderful leadership and expertise led the charge. To those helpful individuals who graciously joined in the work, please know that we appreciate your effort and thank you with deepest gratitude.

### Communications Committee.....PC Matt Bedee

**Communication w/ Membership** - If you want to have an event added to the calendar, information sent to the membership via email, or a message sent via Remind, please send to [webmaster@sanduskysailingclub.com](mailto:webmaster@sanduskysailingclub.com). This will get it to the right people to get it done. Sending it to one person will delay getting it posted or risk not getting it posted at all. Make sure to include what you want to be said, any graphics, etc. Those who get the email will copy exactly what your correspondence said to make the posts or Calendar Event, so make sure to spell check.

**Remind** - If you have not signed up to get messages via Remind, please text @sailsand to 81010 to get Remind Announcements. Remind is used to get last minute announcements out to members and currently we have about 170 users on Remind. You can download Remind for Android and Apple devices, then set up an account if don't have one already.

### For the Good of the Order

**EXCITING, NEW SSC MERCHANDISE IS NOW AVAILABLE!!**

All new hoodies! Visors! Tank tops! Cool weather watch caps! Lunch bags! Backpacks! Bright new colors and bright logo! Too many items to list. ALL of your favorite classic merchandise that you've grown to love is also still available! Check them out at [SSC.spiritsale.com](http://SSC.spiritsale.com) or email Carolynne at [SSCgear@sanduskysailingclub.com](mailto:SSCgear@sanduskysailingclub.com)

Also new this year, FREE DELIVERY TO SANDUSKY, HURON, AND PERKINS AREA!

**Friday Nights** - It's no secret that Friday Nights at SSC are a good time all year long. It has been a combination of effort between the SSC Board and most importantly, our members. To keep the momentum going and to bring some variety to Friday Night meals, PC Matt Bedee would like to train several members to learn how to make pizzas as his availability on Friday nights is changing dramatically. If you are interested in learning how to do the pizzas, please contact PC Bedee at [mbedee@outlook.com](mailto:mbedee@outlook.com) to schedule a Friday night to learn.

The plan has always been that we have food on Friday nights, but it doesn't have to be pizzas. Several members made Friday Night meals in 2021 and we want to grow that by creating a schedule to allow members to plan. SSC will reimburse all expenses for the food or you can shop at GFS, with the plan to have meal costs between \$5-10/person. On a Friday Night during the season we could have 50-60 members/guests and in the offseason we are around 20-30 members/guests. If you are interested in making a Friday Night meal, please email [sscboard@sanduskysailingclub.com](mailto:sscboard@sanduskysailingclub.com).

**2022 SOLO SHAKEDOWN 24hr CHALLENGE** – June 4  
No entry fee, ratings or flags. Just solo sailing.

Have you ever solo sailed for 24 hours? Learn how to eat, sleep, navigate, and make a safe passage. This is a chance for skippers interested in solo sailing to join GLSS members for a 24hr sail. I expect to have experienced GLSS members looking for a shakedown and others who are interested in what solo sailing has to offer.

Optional preparatory meeting Friday night, June 3, and a mandatory safety meeting Saturday morning, leaving at noon and returning Sunday. Course will be NE to 45005 then east. This is an unofficial event and not sponsored or sanctioned by GLSS or SSC.

Please contact Russ Krock to confirm attendance or any questions at [rkrock@adrinnovation.com](mailto:rkrock@adrinnovation.com)
