Message from the Commodore..... Comm. Hank Boissoneault

Welcome back boaters - The sailing basin is open and quickly filling up. In April we had perfect weather for workday. Thank you to all that were able to show up; the club looks great and is close to being ready for summer. There are a few left-over projects that are slowly getting done. If you have some time and would like to help, please consider coming down and lending a hand.

Spring meeting - Prior to workday, we held our annual spring meeting. With tax season upon us, Dave Brink zoomed in

to give the financials. While all is well, we are encouraged to stay the course with good economic discipline. I would like to take this moment to thank Dave Brink and Bernie Ashyk for all the work they perform throughout the year. We owe you both a debt of gratitude.

Gate cards were handed out at the end of the spring meeting. While we are still using green, we will transition over to light grey cards towards the end of May. A mailing will be sent out along with an email notification of the transition date. New and additional cards will be available at the Dairy Bar after the transition has taken place. In addition to cards, Cinda Davis has secured new club burgees that will be for sale at the Dairy Bar.

Racing - May is also the start of racing season for the club. With tons of hours put into the committee boats, Carolyne Zettler and PC Brad Huntley have readied the boats for the season. I think there might be a few finishing touches if you have some free time to lend Carolyne a hand. They look terrific and are ready for another summer of wear and tear. Thank you, Carolyne and Brad.

Race Committee volunteer - We need a volunteer to drive a committee boat for summer racing. If you have ever wanted to help the race committee and enjoy driving a powerboat, please consider helping on Wednesday night racing.

Summer events - As summer approaches, we have an aggressive schedule of sailing events. Some of these events will place stress on the membership. If you are available, please consider volunteering for events. It's a chance to meet interesting folks and promote the activity we all love.

Sandusky Islands Race - As a lifelong member, one of the best nights of the year for me was the Islands Race Party. This year's party will be held on Aug. 25-26.

On Friday we'll have a local band called **RIPTIDE** that play surfing music while we have a steak cookout on the grill.

On Saturday after a morning continental breakfast and a thrilling Islands Race, we will be entertained by the **RAYBANS** along with **SNOOTIES BBQ** for dinner.

We are asking that all our membership get involved in making this a successful weekend to remember. A schedule of events will be added to the calendar as we move closer to the event.

I would like to close by saying THANK YOU to the board and all the volunteers. While there is still planning and work to be done, the time you have spent preparing for this summer is about to pay off. If it were not for your help and guidance we would not be prepared for the upcoming season. I look forward to a great summer and I hope to see you all enjoying the club.

House and Grounds VC Jason Huffman

Spring workday - I would like to thank everyone for all of the hard work that made spring workday a success. We are nearly ready for sailing season. We will need everyone's help this season to put SSC's best foot forward.

Robotic marks - While you were at workday, I hope you had a moment to take a look at the recent Mark Set Bot addition to the club! We hope these will be a valuable asset for our Race Committee volunteers.

More to do - While many tasks were completed at workday, we still have some work to complete. As of the end of the day on Saturday there were several minor items not crossed off the to-do list, and the weeding and mulching of the playground still needed to be completed. If you have a moment to lend a hand, it would be greatly appreciated.

If you see anything that needs to be addressed please let myself or any member of the bridge know. Call/text 614-940-1565 or email me at huffman.jason@gmail.com.

View from the RearRC John Giordano

Fireside Fridays are behind us, so I want to take an opportunity to thank all the volunteers who have been instrumental in making this a success this winter. As we continue Friday Night Feeds through the summer, we need several volunteers to prep and serve food. If we get a majority of the members to take one Friday, it will make this an easy task. This is a great way to meet other members, so please consider taking a turn. If you are interested or have any questions on what is involved, please let me know.

Workday - Also, thanks to all the volunteers who opened the club for the summer at the workday on April 15. While I couldn't be there myself, I've been by several times since and it looks great. VC Jason has a few things remaining on the whiteboard, so if you have a few minutes and can knock one off it would be appreciated.

We'll have a Dairy Bar committee meeting on May 7 at 1:00 PM. The new register will be up and going and we'll be giving a review of its use. So, if you would like to help in the Dairy Bar this summer, please arrange to attend the meeting. Or contact Marcia or me for a walk through.

Activities are picking up and we've been making every effort to keep the calendar up to date. If you happen to see something missing, please let me know. Additionally, any

last-minute changes will be communicated via e-mail and Remind. So please make sure your information in the club's website is up to date and that you sign up for Remind. To do the latter please text @sailsand to the number 81010.

As always, if you have ideas for a club activity, have a suggestion or would like to volunteer for any event, send me a note. My contact information is below.

Sadler Basin Committee PC Pete Grant

All dry sail trailers and dollies will require a SSC/SADLER 2023 sticker this summer to show proof of payment for this boating season. Please be sure to have a sticker on your trailer. Sadler is working with the bridge and the dock coordinator to make sure we have proper documentation of all those who have paid. Your patience is appreciated.

The mast hoist is under repair.

The Riley Boyz took the hoist apart and found a bad bearing in the rotating mechanism. New parts have

been ordered and the repair should be done in about a week. Please stay clear of the area as they have a crane truck parked there for a short time.

Dock carts - Sadler heard your requests and has purchased and replaced all the worn tires on the dock carts. We should have smooth sailing and smooth rolling this summer!! Thank you to all who helped put the new tires on.

Sandusky Junior Sailors, Inc...Suzanne Hartley/ Mic Kaufman / Michelle Gilboy
