

SANDUSKY SAILING CLUB

PO BOX 814 • SANDUSKY, OHIO 44871-0814 • www.sanduskysailingclub.com

The object of the Sandusky Sailing Club shall be the promotion and encouragement of sailing and seamanship, and of a sportsmanlike attitude toward racing and competition. The Club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments.

Commodore's Comments Comm. Steve France

Membership – PC John Hartung has formed his membership committee. It's a good cross section of our club and includes racing and cruising sailors, younger and older members, men and women. I want to thank John and his team for their work on this important effort.

Club Website – If you haven't done so recently, check out the club website. The website committee, including PC Mike Fishbaugh, Matt Bedee, Mark Swabley and PC Eric Winkel, has been hard at work updating the website. There's new information on the Learn to Sail Program, this year's Islands Race weekend, an updated calendar and much more. Our website is an essential tool for keeping you, our members, informed and we owe this new committee a big thank you for making it more useful and current.

Dues and dockage fees – Thanks to all of you who have made your dues and dockage payments on time. It's a big help and saves a lot of administrative time.

Volunteer forms – I again want to encourage those who haven't completed their volunteer forms to do so and send them back. Our volunteers are what make our many activities so much fun. We need your help, so send in your forms.

Clubhouse – Spring is just around the corner and the clubhouse will be ready. Thanks to Tim and his crew for their effort cleaning and waxing the floor. It looks great. We're only about a month away from seeing boats back in Sadler. The damage we experienced in the marina this last winter has been repaired and we're ready to go. Water levels in the western basin remain above average, so we have a good season to look forward to.

The next board meeting of the Sandusky Sailing Club will be Tuesday, April 12 at 7:00pm. Meetings are open to all members in good standing.

If you have any issues that need attention, please contact me at stevefrance@ameritech.net, or get in touch with any board member.

Vice Vice Baby!! VC Wendy Kaufman

February's grand exit – There was a lot of damage around the club and grounds from the storms that blew through, but rest assured that our fearless manager has got it all under control. The floats have been ordered and are already scheduled to be installed. The sign replacement for outside the gate is being spearheaded by PC Eric Winkel. The new gate has been installed and new key cards are on the way. Thank you Tim, you're always on top of things! Speaking of that...

Oh my – Have you seen the floor in the clubhouse? What a beauty! While it may not actually be new, Tim, Amy Young and PC Mike Austin did a great job stripping, cleaning and re-waxing the floor of the clubhouse while the doors were locked to the rest of us! Thank you for all that work, and to all of you who helped vacate the furniture... especially since Leo and I had flown to Key Largo to visit with the Austins just when Mike flew up to Sandusky to help Tim. That's OK... we had a great time with Sue!

Yearbook – The 2016 yearbook is STILL in process. You still have time to buy an ad for your company and to support your club. Thanks to those who have sent pictures already; for anyone who would still like to submit photos of club events, members or anything else pertaining to SSC, send them along to me at willowwalkers@aol.com. Please consider becoming a yearbook patron if you have not paid your dues yet.

Spring Workday – Saturday, April 23th. **Please note that this is NOT the last Saturday of April.** The general meeting will begin at 9:00am and lunch will be served (hot or cold depending on the forecast) after the work is complete.

Hopefully, some of you will bring a dish to share! For any house and grounds issues that need attention, please contact me. This is a volunteer-based club, so I am working to make it easy for everyone to be aware of any projects, big and small, that need to be addressed. Hopefully, we can all work together and “show off” our club with pride.

Please contact me with any and all brilliant ideas that you have and I will try to incorporate them. RC Wendy Kaufman 419-656-9566 (cell) or email me at willowwalkers@aol.com.

The View from the Rear RC Mark Gross

11th annual Wine Tasting Party - The Wine Tasting Party was another success, with excellent wines and food and tremendous camaraderie. Thanks to Kathy VanderHorst for coming back to Sandusky to run the event and to the parents of the Sandusky Junior Race Team for contributing delicious eats and many hands for making it a great evening!

Basic Weather and Forecasting Seminar - This past weekend, seminar attendees received good information and materials to help determine whether the weather will cooperate with their sailing plans. Thanks to Andy Sausser for organizing the presentation and working the door and to the Sandusky Power Squadron for the program.

Cruising Fleet potluck - Thanks to Gary and Jan Nye for organizing this year’s potluck, again.

SJRT Spaghetti Dinner and Fundraiser - The Sandusky Junior Race Team annual fundraiser will take place at the Sandusky Yacht Club on Saturday, April 9 beginning at 5:00pm. Dessert will be back at SSC starting at 9:30pm. Come out for a fun evening of sailing camaraderie and help your Junior Race Team prepare for a great year of competitive sailing in 2016. Don’t forget to buy your reverse raffle tickets and be prepared to bid at the silent auction! [See the SJRT article and attached flier for details.](#)

Winter Wednesdays at SSC - Please remember to stop by your club and join us for Winter Wednesdays, beginning at 5:00 p.m. every Wednesday through April. Come enjoy the crackle of the fire, a selection of beverages at the Dairy Bar (including some fantastic craft beers at great prices!) and some delicious food prepared by Tim.

Basic Coastal Navigation Seminar - Members of the United States Power Squadron in Sandusky will present a seminar on Basic Coastal Navigation on April 30. Included with the seminar is the Weekend Navigator, a 280-page book that teaches you simple navigation using GPS and electronics. Learn how to use both paper and digital charts with this comprehensive guide to electronic navigation. Also included is a Chart Navigator Training CD, to help learn the current technology. The price will be \$35 per person and will include coffee and donuts, beginning at 9:00am. and all seminar materials. The seminar will begin at 10:00am. Members and guests are welcome. RSVP to Andy Sausser at andysausser@gmail.com by Friday, April 15, to ensure that there are enough materials for everybody. Space is limited. [See flier.](#)

Summer Saturdays at SSC! - Beginning Memorial Day weekend, the Dairy Bar will be open on Saturdays from 5:00-9:00pm. Sailing camaraderie on Wednesday evenings throughout the year. Members who live in the area have been enjoying. This will give the same opportunity to all of our members on the weekends in the summer. Support your sailing club and come down to socialize for a bit. Fun will be had by all!

Contact me - Please feel free to contact me at mgross@grosslaw.net or 419-357-6747.

OperationsTim Kyle

Final dock payments are due April 1! Please remit your unpaid balances now! As always, there is a waiting list and unpaid docks will be reassigned April 15. Please note that berth holders are required to be members in good standing. If your dues aren’t paid, please do it now.

Dock Repairs – Old Man Winter was hard on dock floats this year. Fifteen new floats will be installed throughout the basin. This should be done by April 15. If you are on B or C dock and plan to launch before April 30, please check with me to ensure your dock is ready. Floats cannot be placed under docks that are occupied.

Front gate repairs – The long-awaited gate repair is complete. If you swing by the club, be sure to have your 2015 blue gate card. The new gate cards (white) will be activated as soon as you receive them in the mail.

Winter Wednesdays – While we get excited for Spring and Summer to begin, Winter Wednesdays will sadly end. The last wings will be served on Wednesday, April 20. Thank you to all that enjoy our club in the off season.

The Sadler Basin Committee will meet at 7:00pm on Monday, April 4 at SSC.

Contact information - Any questions, comments or concerns relative to the clubhouse or basin operations are welcome. You can contact me at timmo@sbcglobal.net or call 419-656-5881.

Cruising Fleet.....Mark Swabley

This season’s cruises are listed on the [2016 schedule in this Cross Bearings](#) and on the website calendar.

One layover day built in, in case of bad weather

Junior Race Team..... Stephanie Walls

New Leadership - The leadership of SJRT has transitioned from long-time co-chairs Becky and Rob Burger to a new team of parents, including Kristin Koliha, Pamela Gross, Matt Bedee, and Lease and Renee Schock. Thanks to the Burgers for their past leadership, and many thanks to our new team co-chairs!

Spaghetti Dinner Fundraiser - The annual SJRT Spaghetti Dinner Fundraiser is scheduled for Saturday, April 9 at the Sandusky Yacht Club (cocktails at 5:00pm and dinner at 6:00pm), with a dessert after-party at SSC beginning at 9:30pm. On the heels of last year's very successful event, SJRT parents have been busy securing donations from local business for the popular silent auction! Tickets to the event are \$15 for adults and \$10 for children. We are also having a reverse raffle for a \$1000 grand prize! Tickets are \$50 and only 100 are being sold. Please come join us for this exciting event!

Members of the 2016 junior race team will be on hand to help with the event and to share with supporters what makes this program so special. If any club members are willing and able to help find even more great items to auction off and/or wish to purchase event tickets or raffle tickets, please contact Kristin Koliha at kkoliha@gmail.com. See you there! [See flier.](#)

Learn to Sail

Plans are well underway for a fantastic Learn to Sail program this summer. We are eager to welcome many community student groups to our sailing lessons including: kids from the Nehemiah center and the YMCA. Over spring break, we will be holding a capsizing drill and swimming lessons in the YMCA pool.

A U.S. Sailing Level 1 course is scheduled for June 6-9 and a Level 2 Coaching course following on the 11th and 12th. Both classes will be taught by our incoming Learn to Sail Director, Rick Pinnone, who is an Instructor Trainer for US Sailing. Check the US Sailing website for more information and registration.

Race Governing..... Terry Parker

The 2016 racing and event schedule is ready! It is enclosed elsewhere in this issue and will also be posted on the SSC website (www.SanduskySailingClub.com). PLEASE NOTE: In addition to the old favorites, two new events are on the schedule. First, SUNDAY PHRF/JAM racing on eight specific dates. See details elsewhere. Secondly, a proposed night race around Kelleys Island July 16. Watch for details on that. Thanks to the Fleet Captains and RC Chair Jim Keane for their input in enabling the schedule to be completed! There

is plenty of fun planned for this year, and there are many opportunities to serve. If you are willing and able to help with an event, contact your Fleet Captain or me at terryparker47@gmail.com or 440-320-3100.

Website Committee..... Matt Bedee

webmaster@sanduskysailingclub.org is the newest address to add to your contacts when requesting updates to the SSC website or have questions/issues with the site. The SSC Board created the Website Committee. It is made up of Mark Swabley, Matt Bedee, PC Eric Winkel and PC Mike Fishbaugh. Our goal for 2016 is to more fully integrate the website with club operations and more importantly use it to keep members up to date with news and events. Keeping members up to date via the website requires a team effort. When sending updates for the website, make sure you send them to webmaster@sanduskysailingclub.org and include the following information in the subject line:

SSC Website-[EVENT NAME]-[DATE OF EVENT].
For example: SSC Website - Sandusky Junior Race Team Spaghetti Dinner and Fundraiser - April 9, 2016. Once you send the email, one of the Website Committee members will respond that the request was received and when it will be addressed. If you do not get a response within 48 hours, do not assume that it was received and has been addressed. We will get updates or changes to the website done within seven days of the request being sent to webmaster@sanduskysailingclub.org.

The other part of the team work is to make sure that requests are sent in a timely manner. Most events require planning to start several months out, so include updating the website/calendar as part of your early event planning. The website is a very important tool for sharing information with current members and perspective members. All of us look forward to engaging members more via the website.

Each month's **Cross Bearings** will include an article to help members get more familiar with using the website or explain a feature users may not be familiar with.

For the Good of the Order

UT Sailing Team France presentation - Join us on Sunday, April 3 at 10:30am at the Catawba Island Club for a brunch and presentation fundraiser to help the University of Toledo Sailing Team return to France to participate in the 48th Annual EDHEC Sailing Regatta. This will be the second year for the UT Sailors to participate in this regatta being held in the Bay of Morlaix near Roscoff, France.

Over 3,000 sailors from more than 24 countries participate in this regatta. Enjoy a brunch and a short presentation by the UT Sailing Team about their experience in the EDHEC Cup Regatta last April. Price is \$37.50 of which \$20 will go to the UT Sailing Team. RSVP by calling the CIC front desk at 419-797-4424.

Adaptive Adventures Sailing program - There will be a lasagna dinner along with an information and planning meeting for the Adaptive Adventures Sailing program on March 28, 6:00pm at the SSC club house. The Dairy Bar will be open to purchase drinks and dinner is available for \$5. The Adaptive Adventures Program director and the Denver headquarters Military Programs director will be here to

answer questions and help with the 2016 planning. Adaptive Adventures has made a significant investment in the Sandusky sailing program and they are excited about the possibilities working with SSC and community sailing. The success of the Ohio Veterans Home event last summer was an excellent example of the possibilities in the Sandusky area. The AAS program is gaining international recognition as it works with WindRider International to modify the W17 to an adaptive sailing boat. The International Paralympics committee has asked WindRider to submit a bid for the W17 AS as a non technical paralympics race boat. It is exciting to have this opportunity in Sandusky. Please RSVP to ldknauer@gmail.com. Or call Larry Knauer at 614-551-3118.

Regatta chairs - Please allow six weeks to order trophies or flags for your event. Thank you, Don Guy.

A note from the Treasury - Thanks to all who have paid their 2016 dues and made generous contributions to the various funds listed on your dues statements. The Secretary has sent a reminder to those who still have dues on their "to do" list. The club appreciates your support. — Dave Brink and Bernie Ashyk

I-LYA news - Keep up with the latest news from the Inter-Lake Yachting Association, the governing body of local clubs, by subscribing to the I-LYA newsletter or check out past newsletters at www.i-lya.org.
