### Commodore's Comments..... Comm. Wendy Kaufman

**Membership** – Many of you should have gotten your new cards, membership and gate, in the mail in the last few weeks. Thank you for your patience in this matter. Please take the time to read the accompanying letter and login to make any corrections to your profile. I took the time to send each of you login info and step by step directions so we can have the membership data as correct as possible. If you need help, call me. I will be available at the club also to edit profiles. We would like to make sure you receive all the information that we share, so if you prefer emails, please make sure “email preference of YES” is marked. If you have not received your cards, please contact me ASAP so I can check into why.

There are several of you that have not yet paid your memberships. We would greatly appreciate if you would take care of this matter soon. There seems to be some confusion about qualifications for “senior dues.” You must be 65 years old AND have 10 consecutive years of membership to apply for a discount off regular dues.

Tim will send out an email letting you know when he is changing the card reader, so continue to use your white card until it no longer works.

### **We have again opened up the search for a club secretary –**

If you have suggestions (or nominations), please contact me. We need someone to take minutes at the board meetings and write thank you cards when necessary. I plan to continue managing the membership data for some time so the position will NOT have overwhelming responsibilities. Please consider helping the Board at this time.

**Regatta Committee** – Jay Austin is the contact for anyone looking to bring a regatta to our awesome facilities. We all need to be promoting our facility to potential regattas. Jay will help promote and assist all regatta chairs in managing any requirements. Don't forget, we will be hosting the Flying Scot North Americans this June 24-29. PC Steve France and Jay are putting together a list of volunteers, so please call one (or both) of them to help present our “best selves” at this prestigious event. Mark your calendars and plan appropriately. There will be some disruption to the club. Watch for more details.

**Spring Workday and General Meeting** – Thank you to everyone who did come out and all those “independent contractors” who have taken on projects!

**Steak Out and New Members Welcome Party** – Wow, what a great party! Everyone who came enjoyed a beautiful steak cooked to perfection and the best fellowship in town, not to mention some very entertaining auctioneering. We got to know many of our newest members and learned more about some other members. I think everyone learned more about my family, if they paid attention at the auction that is! LOL Almost everyone went home with something, whether it was their membership and gate cards...or a full stomach! Thank you to PC Steve France for making all the arrangements, and his crew of volunteers for registering and feeding us.

**We have a full schedule of regattas and events in June** starting with the One Design Regatta on June 10-11 and jumping straight to the I-LYA Junior Regatta. Check the schedule often; volunteer wherever you can.

**Commodore's Day** – I also want to extend an invitation to all of you for Commodore's Day lunch on July 4th at noon. It should be another delicious meal and entertaining activities. Come join us to find out the details.

**New Members** – We accepted new members in April and May that we would like to introduce: Regular members: Jan Adams and Greg Arnold from the general meeting, Hewitt “Bill” Shauck of Newark, Ohio from the April Board meeting. Crew member Sherry Wilson from the May meeting.

**As always, please feel free to contact me anytime.** As your Commodore, I am committed to serving you and hope that you will join our board meetings the second Tuesday of each month at 7:00pm. Thank you. Comm. Wendy Kaufman, text or call 419-656-9566 (cell) or email me at [willowwalkers@aol.com](mailto:willowwalkers@aol.com)

### **Vice Vice Baby!! .....VC Mark Gross**

**Note** – With the Sandusky Junior Race Team and Learn to Sail starting up, we will have a number of younger members and children on the grounds. Please be alert when driving through the parking lot.

**House & Grounds** – With workday behind us and warmer weather upon us, the house and grounds are looking great. Thanks to all of the volunteers who made it happen! There are still a few projects to finish up. If you have the skills, time, and desire to help out, please let me know what you'd like to do or just dive in. I plan to continue to use the job board that Comm. Wendy started, so if you see something that needs to be addressed, feel free to add it to the board or let Tim or me know.

**Grills** – Don't forget that the grills are SSC property and available for use by all club members. Please make sure to clean the grills after you use them; the next user will appreciate it and the grills will last longer. There are grill brushes in the galley. Thanks! And a big thank you to PC Bryan Huntley for taking care of the annual, off season maintenance on the big grill. That is a heck of a piece of equipment!

**2017 Yearbook** – The yearbook is down to the last few items. With any luck, it will go to print early next month. Thank you to PC Eric Winkel for helping get this to the finish line.

**Contact me** at [mgross@grosslaw.net](mailto:mgross@grosslaw.net) or 419-357-6747.

### **The View from the Rear .....RC John Schwartz**

Just three bits of news this month for my part...

**First** is that the Schwartz's will be following the Interlake fleet around this season. PC Pete Grant was kind enough to ride shotgun with me on May 23 to bring back hull number 473 from Ann Arbor. I appreciate PC Mike Muhn's time and everyone else who helped me figure out what I needed to know so far. Keep the education coming.

**Second** news is a change-up in how we are assigning galley duty this season for Wednesday night races. In previous years Wednesdays have been assigned to fleets (PHRF, JAM, Interlake). This year the fleet captains unanimously and vociferously suggested that I assign specific Wednesday nights to specific boats with everyone getting one and only one turn making sure there is food on Wednesday night. It's not difficult. It's my job to make sure the galley is stocked in prep for every Wednesday night – and there is a fresh salad and a fresh dessert. For you ambitious types that really want to do something special on your night – just tell me what you want and I will make sure that it is on-hand for you. Otherwise, all you have to do on your assigned night is make sure that the burgers/brats are cooked all the way through, food gets served, money gets collected, and the galley is clean when you clock out.

I am going to post the galley schedule at the clubhouse on the board. If anyone needs to trade their night with someone else– just make sure that they can be trusted to do it– and you need write the name changes on the posted schedule. That way we all know who (besides me) is to blame when we're all hungry at 9pm on a Wednesday.

**On a more positive note**– I just want to say good job publicly to PC Steve France for organizing the Flying Scot regatta this year. He's got more than 50 boats lined up. This will bring in some much needed cash to the club. Obviously there's going to be some traffic issues that last week in June, but well worth it in my opinion. These Flying Scot sailors are coming in from all over, so it's a good chance to meet interesting people.

On Saturday, June 24, at 6:30, we're going to have a free sails seminar with a panel made up of representatives from North Sails and Quantum Sails. You might have to walk a little further to get to the front door, but that should be a good night to plan to hang out at the club for a bit. I'll be sending out emails closer to the event. June's a tough month to try to pull a program together because of competing regattas and some other racing conflicts, but I'd like to put a July event together at the club – maybe some live reggae, a jerk food-truck, and blender boat-drinks? I wouldn't mind some feedback as to the best Saturday to try to pull that off.

**Keep the ideas coming** either by email at [john@christielane.com](mailto:john@christielane.com) or by voice/text at 419-706-5137.

## Operations ..... Tim Kyle

*New gate cards (green) are in the mail.* Please do not throw the old white card away until you confirm that the new card readers are installed.

*We have several 26- and 30-foot docks available* at this time. It would be a great time to invite a sailing friend to join us or request reassignment if there is something available that would be more desirable to you. Contact me for availability.

*The next scheduled Sadler Committee meeting* is Monday, June 5 at 7:00pm.

*Feel free to contact me* with questions or concerns about the marina or clubhouse, at [timmo@sbcglobal.net](mailto:timmo@sbcglobal.net) or call 419-656-5881.

## Membership ..... PC Steve France

*The Steak Out, new member welcome and nautical white elephant auction* on Saturday, May 20, was a great time for the 76 members who attended. All steaks were grilled to perfection and we depleted the three gallons of rum punch Tim concocted from a secret recipe “borrowed” from Foxy’s notorious beach bar on Jost Van Dyke Island in the BVI. The auction raised \$220 for the Junior Sailors. Many of the 23 new members who have joined SSC since our new member welcome party last May were there and we welcomed them to the club.

*Our Member Get-A-Member Program* is bearing some fruit. In the seven months since the program debuted, four members have recruited new members:

- Steve France – 2 new members
- Mark Gross – 1 new member
- Brett Langolf – 1 new member
- Paula Smith – 1 new member

Healthy club membership along with your participation in club maintenance and upkeep are the keys for keeping your membership and dockage costs down. So your involvement in the Member Get-A-Member program can help us reach our membership growth goals and our cost containment objectives. You are the Sandusky Sailing Club’s best ambassadors.

## From the Treasury..... Bernie Ashy and Dave Brink

*Thank you members* for your patience and cooperation with the dues issues and your continued generosity in supporting the various causes that keep the club a first class operation.

## Race Governing ..... PC John Hartung

*Revised 2017 event calendar* – I am no longer using the term “final” when referring to the 2017 SSC Event Calendar. The latest version is in this newsletter. Changes include:

The Wednesday Night races scheduled for June 28 have been canceled to accommodate the Flying Scot North Americans. As a result, the numbering for the second series for PHRF and JAM has been changed to reflect this action. The change affects T-10’s for all subsequent Wednesday night series.

The Aug. 13 race for centerboards has been canceled to accommodate the J/24 Districts. The Sunday series numbering reflects this action.

## Regatta Committee..... Jay Austin

The Sandusky Sailing Club prides itself on a tradition of outstanding race and regatta management both on and off the water. We are a club built on this tradition, but sometimes we take it for granted that we can count on square courses and fair sailing. It takes a strong team to pull off what we do week-in and week-out. That being said, we are asking for your support on the Race Committee. The Race Governing and Regatta Committees are looking for dedicated sailors who would be interested in learning the ropes on the Yellow Boats. Working RC is a great way to learn about racing from another perspective. RC work takes commitment, dedication, and a willingness to learn from experienced RC members. If you feel this would be something to try out, please contact Jim Keane or me. You will have on-the-job training during a Wednesday night or Sunday morning race. Weekend regattas could also be a possibility. We are specifically looking for dependable people who could commit weekly and eventually set up a race course and be the person in charge on a Wednesday night.

Unsure if this is for you? Please feel free to give me a call at 330-351-0283. We look forward to continuing a tradition of excellence at SSC. COME JOIN THE RACE COMMITTEE!

## Cruising Fleet..... Mark Swabley

### 2017 Activities

June 16-18	Leamington
June 24-25	Lorain International Festival
July 8-9	Islands Race / Cruise (Middle Bass Island)
July 15-16	Pelee Island
Mid August	Western Lake Erie Cruise
Sept 6-7	Port Clinton

*Sunday Morning Bay Cruises* – There are a number of Sunday morning cruises scheduled to take advantage of open weekends. They will start at 9, so we can get out and back before it’s time to head home. The dates are June 18, July 2, 16 and 30, Aug. 6, 20 and 27 and Sept. 10.

*I-LYA Reciprocals* – The definition of what to expect when you cruise to another I-LYA club has changed a lot over the years. It used to mean that you could expect what we offer at SSC to visiting yachtsmen. Not so much anymore. Now you might get the I-LYA deal and that varies by club. As the visiting skipper it has become your responsibility to contact the club you plan to visit, if that is even possible, to find out what they offer and what hoops you need to jump through to get it. The good news is that in most cases you just tell them on arrival that you are from SSC, an I-LYA club, and they give you their deal with no questions asked. Sometimes they may want to see your SSC card. If you encounter a need for more documentation, let me know.

*Calling all SSC cruisers* – Leamington Sail-Away is Friday, June 16 through Sunday, June 18. Skippers Sheryl Hoffman and John Wiggins will once again be coordinating the cruise and social activities. Dock fees are \$1.75 per ft. plus tax Canadian. We currently have 10 docks reserved. Plan on a Friday morning departure from SSC. There will be a BYOB and shared appetizers dock party upon arrival of the fleet. We are looking into doing a BYOB (Bring Your Own Breakfast)

# Basic Keelboat Learn to Sail Course

Qualify to charter one of SSC's cruising sailboats in as little as two days and get a complimentary six month Club Membership

Operating on the protected waters of Sandusky Bay, the Sandusky Sailing Club offers the ideal learn to sail program and location. On-the-water classes are offered on Tuesday evenings and on weekends.

### Tuesday Evening Classes –

5 weekly sessions: 6:00-8:30pm

1<sup>st</sup> Class runs Tuesday, May 30 through June 27

2<sup>nd</sup> Class runs Tuesday, July 11 through August 8

### Weekend Classes –

Sat/Sun sessions: 9:00am-12:15pm

& 1:30-4:30pm

1<sup>st</sup> Class – July 15, 16

2<sup>nd</sup> Class – August 19, 20

**Course Fee** – \$395 and includes an instruction manual, 12 ½ hours of on-the-water instruction and complimentary six month SSC crew membership providing access to SSC grounds, clubhouse and all SSC social and educational events. Upon completion of course, Tanzer 22 sailboats can be chartered for day sails on Sandusky Bay at the rate of \$150 per half day or \$250 for a full day.

All class segments take place aboard one of SSC's 22 or 24 foot tiller-steered, sloop-rigged sailboats. Students are responsible for providing their own USCG approved PFD and must wear closed-toed, non-marking shoes. Regardless of which course option you choose, you will learn/practice the skills and acquire the knowledge you will need to confidently skipper and day-sail one of SSC's sailboats on Sandusky Bay.

### **Sandusky Junior Sailing...PC Mike Fishbaugh**

**SJS featured boat for sale – 1975 Ranger 28.** These boats

are said to win more than their share in PHRF, even today. Displacement is 5,100. Draws 4' 6".

9.7' beam. Power is a Sailerdrive retrofit. Barient winches, tiller steering. This boat was actively sailed until about four years ago and has since been stored at the boat yard, with little attention

since, so it needs a little cleaning up. Large sail inventory includes at least one mainsail, various jibs, and at least one spinnaker with turtle bag. Rather old sails (remember Fracker?) but said by the donor to all be usable. They're stored separately in an indoor heated space along with the cabin and cockpit cushions. The hull is solid (i.e., non-cored.) Decks are balsa core and show significant softness. Lots of gear on board. \$1500 Contact: Mike Zuilhof (419) 621-8070 or Dennis Butts (419) 206-2120

### **Adaptive Sailing Adventures .....Larry Knauer**

We tried to hold the first open house sailing event for 2017 on May 20. We had a good turn out with nine veterans and nine volunteers on a cool and windy day. We decided not to sail and took advantage of the time for fellowship and getting registrations completed as well as review the schedule and desired results for the participants.

We were then blessed with a wonderful pizza lunch provided by Sierra Lobo and snacks/drinks from Eccl Aerospace Services. We also invited those from the SSC membership drive open house to join in on the pizza as we had an abundance left over. It was a great time.

**The sailing program started on Monday, May 22.** Please come out and get acquainted with what we are doing and see the smiles abound.

We are looking forward to a great summer of fun on the water. Spreading out the volunteers will make it more fun and enjoyable for all. If you have a preference on the days that work best for you, please let me know.

### **For the Good of the Order**

**The SSC One Design Regatta /Thistle Michiana District Regatta** will be sailed June 10-11. See the Notice of Race in this Cross Bearings. If you would like to help with the meals or clean up on shore or with the RC on the water, please contact Bernie Ashyk @ 216-244-3299 or [Bernstera@aol.com](mailto:Bernstera@aol.com) or Jay Austin at [jaustin6@kent.edu](mailto:jaustin6@kent.edu). Please visit the website for on-line registration.

**Kelleys Island Challenge - 2017 NOR** – Sail around Kelleys Island any way you wish, any time you wish before Oct. 30, 2017.

Start and finish off the SSC entrance (line up the center of the basin opening with the white light standard). Stay east of the rockpile - R2 (Newman's) buoy - if you have half a brain.

Other than the island, the only mark on the course is Can G "1" just off the NE corner of Kelleys (NOT C "3" at the KI reef!). Pass outside of it. (See charts below p. 11)

<http://www.charts.noaa.gov/BookletChart/14844-BookletChart.pdf>

Course is 22.5 nautical miles.

Race any time between May 1 and 6:00pm Oct. 30, 2017.

Take your own time.

If you want your results to "count," report them the same day to the SSC JAM email list and Skip at [soliver@heidelberg.edu](mailto:soliver@heidelberg.edu) or Facebook, and send \$25 within one week to PC Skip Oliver, 1112 Wayne St., Sandusky, Ohio 44870.

At the end of the season, all funds collected will go to the winner's favorite charity, and will be reported in the Cross Bearings and elsewhere.

You can make more than one attempt per season for your \$25.

Two divisions - crewed and single handed. (Thus, two winners) 2016 Winners - Single-handed, Steve Zorn, Hunter 30T, Crewed, PC Steve Jackson and Brad Balmert, T10.

PAX & Fair Winds, PC Skip.

**Lighthouse Inspection Tour** – Thanks to all who took the first Cruisers event of 2017 with us. It is a good way to start the sailing season. Food and fellowship at SSC is always a summer treat. Thanks to the Auge's and Nye's for helping out in the galley. Enjoy the rest of the season. PC Monty and Suzie Kaufman

**2017 SSC Learn to Sail in the Classroom** – We had 15 students in the class, and they gave us very positive reviews. To wrap up the program, we are arranging for them to go out for a sail with SSC member volunteers. The classes resulted in three or four new SSC members. Income was \$660 and expenses (US Sailing Basic Keelboat books) were \$345. A new dry erase board for the club was donated, as were the services of all presenters and volunteers.

Thanks to Larry and Patti Knauer for handling the technology and donating the use of their projector. The short videos we used really added a lot. And thanks to Tim Kyle

for keeping the bar open, and Amy Young for food services. Thanks also to the excellent presenters - PC Monty Kaufman, Ryan Kyle, TJ Wright, and Larry Knauer.

Respectfully, PC Skip

**Room for sailors** – Liz Elden, a former SSC member now living and sailing at Lake Norman YC in Mooresville, NC, along with several other Flying Scot sailors will be coming to SSC for the National Regatta June 24-29. They are looking for keel boat owners who might be willing to make sleeping space available on their boats. If interested, please contact Liz at e13elden@gmail.com or 440-785-0016

**The SSC Sunday Sailing Series** will again take place this year, or as we like to call it, the Sunday Funday Series. Last year we had a series of races throughout the summer with a total of 13 different boats joining the course. This winter we regrouped with the participants, potential new sailors, our board and evaluated ways to make it better. Our goal is more boats enjoying Sandusky Bay on Sunday mornings. We will offer PHRF and JAM racing again this year and will also be adding a Cruising fleet. This summer we hope to:

- Get more boats/members out on the water
- Provide course/racing guidance & instruction
- Introduce potential members to sailing
- Get our Junior Sailors more involved in keel boat sailing
- Do some practice racing
- Have fun!

More details to follow. See the attached race course diagram. If you are interested, have questions or suggestions, contact Brett Langolf (brettlangolf@gmail.com).

**The Leukemia and Lymphoma Society (LLS) of Northern Ohio will host its annual Leukemia Cup Regatta** on July 20-23. The Leukemia Cup Regatta is the only event of its kind in the state of Ohio and more than \$1.6 million has been raised in the 24 years since its inception. This year we have set an achievable goal of \$170,000. In an effort to reach this goal we need to expand our circle to include more businesses, individuals and clubs.

LLS has been devoted to a single cause for the past 60 years; finding cures for blood cancers and improving the quality of life for patients and their families.

In an effort to expand upon an already successful campaign for the Leukemia Lymphoma Society we have commissioned the Northern Ohio Yacht Club Challenge Trophy.

This Yacht Club Trophy will be awarded to the Yacht Club that raises the most funds for the Leukemia Lymphoma Society. (The Cleveland Yachting Club, as the host club, will not be in the running for the trophy.) Club members can earn fundraising credit for themselves and their club through donations, boat registrations, ticket purchases, auction and auction basket donations. — Cheers, Brett Langolf

**Regatta chairs** – Please allow six weeks to order event trophies and flags. Thank you, Don Guy.

**Flags and awards not picked up** at the 2016 Fall Banquet may be picked up at the Dairy Bar. Please contact Tim Kyle when you visit SSC. If you have questions, please contact Don Guy at donguy@aol.com or 419-202-2948.
