Commodore's Comments Comm. Wendy Kaufman

Dues statements – Considering the “glitch” in dues billing this spring, I personally audited the records and sent out reminders for those who have not renewed; hence the delay in receiving your new cards. You should be getting your new cards in the mail shortly. Tim will send out an email letting you know when to use your new (green) card. Thank you for your patience in this matter.

We have a new Secretary – Fred Melick has offered to serve our club as secretary. I would like to thank Wes for his service the past two years and am excited to have Fred jump in!

Regatta Committee – Jay Austin is the contact for anyone looking to bring a regatta to our awesome facilities. We all need to be promoting our facility to potential regattas. Jay will help promote and assist all regatta chairs in managing any requirements.

Don't forget...We will be hosting the Flying Scot North American Championship this June 23-29. PC Steve France and Jay Austin are putting together the list of volunteers, so please put a call in to one (or both) of them to help show our “best selves” at this prestigious event. Mark your calendars and plan appropriately. As usual with these large events, there will be some disruption to regular club activities. Watch for more details.

“Sponsor a Window” challenge update – The pride I feel in our membership is quite overwhelming! We actually have all the windows sponsored and delivered. Maybe, by the time this Cross Bearings reaches you, they will all be installed and the final staining and varnishing will be complete. I offer a HUGE thank you to all the contributors, especially Steve Springer, who sponsored the Galley windows in memory of his father and mother, Jack and Lila Springer. THANK YOU! Also, a correction to last month's article. We had Harrison and Rosie Pratt listed as donating one window when in fact they donated two windows. THANK YOU!

Spring Workday & General Meeting – As this Cross Bearings goes out just AFTER workday, and I am writing BEFORE workday....I can only hope that the weather forecast was wrong and we had a beautiful sunshiny productive day that culminated in a wonderful lunch with birthday cake! So...check out the June Cross Bearings for a final report. Thank you to everyone who did come and all those “independent contractors” who have taken on projects!

Open House (Steak Out) and New Members Welcome Party – Please plan to come enjoy each other and a great steak dinner. I am looking forward to seeing all of you here on May 20.

As always, please feel free to contact me anytime.

As your Commodore, I am committed to serving you and hope that you will join our board meetings the second Tuesday of each month at 7:00pm. Thank you. Com. Wendy Kaufman, text or call 419-656-9566 (cell) or email me at willowwalkers@aol.com

Spring Workday – THANK YOU to all who helped out on workday, getting your club ready for another great season! Now all we need is some sunshine, warmer temperatures, and boats in the water to make it feel like summer!

2017 Yearbook – The yearbook is almost ready to publish. Thank you to Comm. Wendy Kaufman and PC Eric Winkel for all their help in getting it put together. We are looking to go to print soon! Now is the time to update your contact information on your web member listing.

Contact me at mgross@grosslaw.net or 419-357-6747.

The View from the RearRC John Schwartz

Junior sailing – For anyone with school-age kids, this is a crazy time of year between school events, competing sports schedules, house projects, and maybe even something about a boat if there's time left. The Schwartz's have been big-boatless for three years now because it just doesn't seem to get all the way to the top of the list. It's a new year, so we'll have to see how this season shapes up for us. I've clearly got the itch, and I may pick up an Interlake to follow that fleet around, just to get me on water (even if I can't sleep on it).

My kids sail SJRT, so I get to watch a lot of people sailing every season at least. For anyone with school age kids – a quick plug for the junior race team – it is an awesome deal as parent-funded kid sports go and involves a great group of kids and parents. There quite a few open 420's this year, so talk to me or any of the other SJRT parents if you want to learn more about SJRT. It really is a super-affordable, fun and productive thing for kids – and 90% screen-free.

New Member Party/Steak-Out – With all of our schedules in mind, I haven't arranged a forum for May. I'd like to see a good turnout for Steve France's New Member Party/Steak-Out on May 20. I know that he's putting a considerable amount of time into making it a fun event for new and old members.

One of the bits of feedback I've heard so far is that some would like to see more activities in the summer, so we'll offer a summer Friday Forum series starting in June. I'd also like to see if we can do some member parties in the summer to include some out-of-town members who can't always make the winter events.

Keep the ideas coming either by email at john@christielane.com or by voice/text at 419-706-5137.

Operations Tim Kyle

New gate cards (green) will be in the mail soon. Please do not throw the old white card away until you confirm that the new card readers are installed. They are scheduled to be installed at Spring Workday.

We have several 26- and 30-foot docks available at this time. It would be a great time to invite a sailing friend to join us or request reassignment if there is something available that would be more desirable to you. Contact me for availability.

The next scheduled Sadler Committee meeting is Monday, May 1 at 7:00pm.

Feel free to contact me with questions or concerns about the marina or clubhouse, at timmo@sbcglobal.net or call 419-656-5881.

Membership PC Steve France

Member Get-A-Member update – The program is delightfully uncomplicated. If you are principally responsible for bringing in a new regular member and that responsibility is acknowledged by the board, you are eligible for a \$100 award. There is no limit to the number of new members you can recruit. Your award(s) will be presented and you will be recognized at our Awards and Appreciation Banquet in November.

New member – Jan Adams hails from the Columbus suburb of Worthington and has been sailing for nearly thirty years, most recently out of Harbor Park Marina in Port Clinton. He sails an Island Packet 27 which will sail out of Sadler this season. He is a confirmed cruising sailor and is looking forward to participating in some of the Cruising Fleets many sail-aways. We welcome Jan to the club and look forward to getting to know him when we get our boats back in the water this month.

Steak Out at SSC – No, that's not a misprint and the law won't be spying on the club looking for smugglers or other unsavory characters. On May 20, beginning at 5:00pm, SSC members and guests will have a rare opportunity to savor prime, 14oz. sirloin steaks grilled to perfection. The steak purchasing gurus at SSC will procure the finest sirloins for you to prepare on the club's grills to your own particular perfection, aided by the best supplied herbs, spices, rubs and sauces. Bring a side or dessert to share. While you watch over the grilling of your steak, enjoy the evening's featured drink - a rum punch concocted from a secret recipe stolen from Foxy's notorious beach bar on Jost Van Dyke Island in the BVI.

During the evening, we also introduce and welcome new members who have joined during this past year.

We then cap off the evening with a wild and raucous Nautical White Elephant Auction. So, root around in your garage, attic, basement and fruit cellar for those nautical items you no longer need, bring them to the Steak Out and take home some big bucks. Our auctioneer will squeeze the best price for your nautical heirlooms and you keep two-thirds of the auction price with Sandusky Junior Sailors Inc. getting one-third.

The Steak Out is going to be the early season party you won't want to miss. Be there, or be square! See flier.

From the Treasury Bernie Ashyk and Dave Brink

Thanks to all who have paid their 2017 dues and extra thanks to those who contributed to the various funds and causes. As we hear, some members may not have received their dues statements. We apologize for this glitch and are trying to resolve the issue. Or perhaps your copy has fallen behind the credenza. In any event, if you need a copy, please contact Secretary Fred Melick at wd8adg@gmail.com or 440-315-6849. Shortly after April 1 we will be contacting members whose dues haven't arrived yet.

2017 Activities

May 28	Lighthouse Inspection
June 16-18	Leamington
June 24-25	Lorain International Festival
July 8-9	Islands Race / Cruise (Middle Bass Island)
July 15-16	Pelee Island
Mid August	Western Lake Erie Cruise
Sept 6-7	Port Clinton

Sunday Morning Bay Cruises – There are a number of Sunday morning cruises scheduled to take advantage of open weekends. They will start at 9, so we can get out and back before it's time to head home. The dates are June 18, July 2, 16 and 30, Aug. 6, 20 and 27 and Sept. 10.

I-LYA Reciprocals – The definition of what to expect when you cruise to another I-LYA club has changed a lot over the years. It used to mean that you could expect what we offer at SSC to visiting yachtsmen. Not so much anymore. Now you might get the I-LYA deal and that varies by club. As the visiting skipper it has become your responsibility to contact the club you plan to visit, if that is even possible, to find out what they offer and what hoops you need to jump through to get it. The good news is that in most cases you just tell them on arrival that you are from SSC, an I-LYA club, and they give you their deal with no questions asked. Sometimes they may want to see your SSC card. If you encounter a need for more documentation, let me know.

SJS featured boat for sale – 1975 Ranger 28. These boats are said to win more than their share in PHRF, even today. Displacement is 5,100. Draws 4' 6". 9.7' beam. Power is a Saildrive retrofit. Barient winches, tiller steering. This boat was actively sailed until about four years ago and has since been stored at the boat yard, with little attention since, so it needs a little cleaning up. Large sail inventory includes at least one mainsail, various

jibs, and at least one spinnaker with turtle bag. Rather old sails (remember Fracker?) but said by the donor to all be usable. There are stored separately in an indoor heated space along with the cabin and cockpit cushions. The hull is solid (i.e., non-cored.) Decks are balsa core and show significant softness. Lots of gear on board. \$1500 Contact: Mike Zuilhof (419) 621-8070 or Dennis Butts (419) 206-2120

Summer kickoff party and fundraiser – Can you believe it? Summer is right around the corner. Come join us May 6 for a summer kickoff party and fundraiser for Sandusky Junior Sailing, Adaptive Adventures program. Your help and participation last year made these smiles happen. (See the attached pictures) We will be having a summer kick off with all the brats, sausage, and hot dogs you care to eat for only \$10 from 5 to 8 on Saturday May 6 at the Sandusky Sailing Club. Bring your friends and anyone interested in learning more about the Adaptive sailing program.

There will be two fundraising activities: live auction for the naming rights to each of the four Windriders. And a silent auction for putting your ad on the sides of one of the boats as well as a few treasures you might wish to bid on. Bid sheets are available and bidding has started, so give me a call to get an early spot.

In the couple next weeks, I will be sending out the planned schedules for sailing events and locations. Sailing will start mid-May and I am happy to report that three of the four Windriders are ready to sail. Any volunteers willing to come out and shake off the cobwebs and winter blues, let me know. We plan to have all boats ready to begin sailing by the first week of May if not sooner.

For the Good of the Order

Lighthouse Inspection Tour – PC Monty and Suzie Kaufman will host the first joint cruisers and racers event of the year on Sunday, May 28. The day will start off with coffee and donuts from 9:00-10:00. At 10:00 there will be a skippers' meeting and directions for the Lighthouse Inspection Tour. The Interlakes are invited to sail out to the old government dock at Cedar Point. For those who want to sail out to Marblehead lighthouse we will continue out into the lake. Those who do not want to go to the lighthouse may sail in the bay and return to their docks at their leisure. At 6:00 burgers and brats, chips, salad and dessert will be served and a sunset will be savored later in the evening.

Room for sailors – Liz Elden, a former SSC member now living and sailing at Lake Norman YC in Mooresville, NC, along with several other Flying Scot sailors will be coming to SSC for the National Regatta June 24-29. The SSC Sunday Sailing Series will again take place this year, or as we like to call it, the Sunday Funday Series. Last year we had a series of races throughout the summer with a total of 13 different boats joining the course. This winter we regrouped with the participants, potential new sailors, our board and evaluated ways to make it better. Our goal is more boats enjoying Sandusky Bay on Sunday mornings. We will offer PHRF and JAM racing again this year and will also be adding a Cruising fleet. This summer we hope to:

- Get more boats/members out on the water
- Provide course/racing guidance & instruction
- Introduce potential members to sailing
- Get our Junior Sailors more involved in keel boat sailing
- Do some practice racing
- Have fun!

More details to follow. If you are interested, have questions or suggestions, contact Brett Langolf (brettlangolf@gmail.com).
